AWS Marketplace
Welcome to AWS Glue
Get started by setting up your account and users, cataloging your data, and building ETL jobs to prepare data for analytics.
Prepare your account for AWS Glue
Admins: Grant access to AWS Glue and set a default IAM role.
Set up roles and users
Catalog and search for datasets
View your databases & tables and catalog data using Crawlers.
Go to the Data Catalog
Move and transform data
Updated
Use Zero-ETL integrations to replicate data in near real-time, or ETL jobs to transform data in visual, notebook, or code interface.
Go to Zero-ETL integrations
Go to ETL jobs
